A student will be officially enrolled and allowed to attend Sts. Peter & Paul Catholic School only after the registration fee for the new school year has been paid in full.

The application process for tuition assistance will now be handled by the FACT (formerly known as Private School Aid Service, PSAS). This company is used by more than 3500 Catholic and private schools. FACT provides an objective financial analysis that determines the ability of a family to pay for private education. It is an online format. It is in English and Spanish and looks very much like the application we have used in the past. You will receive more information in the coming weeks that will give you a deadline to apply for tuition assistance.

*****Referral Discount: A family who pays full tuition will receive a 10% discount toward tuition (for 1 child) for referring another family to SPPS (Maximum \$450 discount). For families on tuition assistance, the scrip fee of \$200 will be waived. The discount will be received after the referred family has been at SPPS for one school year.**
